PIEDMONT BREEDER'S FUTURITY

PROGRAM HIGHLIGHTS AND HOW TO ENTER

The Piedmont Futurity Committee proposed some revisions to the Futurity Program that were designed to create more enthusiasm and participation in the futurity program. These changes were approved by the Piedmont PFHA membership.

2025 MODIFICATIONS CONTINUED FOR 2026

***Futurity horses may be nominated and entered up to 5pm on Friday, June 19, the day before the futurity classes start.** Nomination fees can be paid at the show through the show secretary.

*We have waived the declaration fee for the 2026 Futurity.

*The 49-60 month fillies, colts, and geldings will all compete in one futurity class in each division: fino, performance, and pleasure (similar to the national program). This change in effect doubles the available prize money for the winners and creates more competition. These 3 classes will be non-point classes.

*We reduced the nomination fee for the 49-60 months riding classes to \$250 if the eligible horse has not been previously nominated into the futurity program. This fee is not due if a horse was nominated as a younger horse.

*We are allowing a gelding to show as a 6 year old in the 61-84 month class if it did not previously show as a 5 year old.

*We reduced the nomination fee for 61-84 month geldings to \$100 (if not previously nominated as a younger horse).
